YOUR NINE-WEEK PATHWAY

Portfolio roadmap

Understand → Evaluate → Analyze → Protect → Apply & Create. Keep every artifact; Weeks 7–9 turn them into your capstone.

WEEK	FOCUS · COMPETENCY	PORTFOLIO ARTIFACT	AMBASSADOR	DONE
1	**AI Around Us** Understand	AI ecosystem map + baseline		☐
2	**Safety, Ethics & Responsible Use** Protect	Responsible-use decision record + agreement		☐
3	**How Generative AI Works—and Fails** Understand · Evaluate	Generative AI explanation + output autopsy		☐
4	**Prompting, Research & Verification** Evaluate	Verified research brief + AI-use disclosure		☐
5	**Bias, Fairness & AI-Supported Decisions** Analyze	Stakeholder / safeguard recommendation		☐
6	**Media Literacy & Synthetic Content** Evaluate · Protect	Synthetic-media verification record + disclosure label		☐
7	**Problem Discovery & AI Fit** Analyze · Apply	Problem statement + stakeholder map + AI Fit test	**All six**	☐
8	**Responsible Solution Design** Protect · Apply	AI role map + risk register + prototype	**All six**	☐
9	**Capstone Pitch & Reflection** Apply · Create	Capstone portfolio + pitch + reflection + post-assessment	**All six**	☐

How your work is assessed

Weekly artifacts are scored on evidence, systems thinking, responsible use, verification, decision quality and communication. The capstone uses a seven-criterion rubric you'll see in Week 9. Evidence and reasoning count more than polish.

Before you submit anything

- Remove names and personal details.
- Name the source of every important claim.
- Disclose meaningful AI assistance.

WEEK 4 · PORTFOLIO ARTIFACT

Verified research brief

ARTIFACT: VERIFIED BRIEF

Research question: _____

1 Claim: _____

SOURCE 1	SOURCE 2 (independent)
Who · organization · date · evidence	Who · organization · date · evidence

STATUS ◯ Corroborated ◯ Contradicted ◯ Mixed ◯ Not enough evidence

2 Claim: _____

SOURCE 1	SOURCE 2 (independent)
Who · organization · date · evidence	Who · organization · date · evidence

STATUS ◯ Corroborated ◯ Contradicted ◯ Mixed ◯ Not enough evidence

Lateral-reading moves I used

☐ Checked the author ☐ Checked the organization ☐ Checked the date

☐ Followed the evidence to its origin ☐ Found independent corroboration ☐ Compared a primary source

What changed after lateral reading?
